

PROTECT YOUR PET

Erie County Legislature Majority Caucus announces dates for Spring 2017 Free Rabies Clinics

Pet owners are welcome to bring dogs, cats or ferrets that are at least three (3) months of age to receive a free rabies vaccination. Bring pets on a secure collar/harness and leash, or in a carrier. Please avoid using retractable, extended dog leashes. If you are using one, be sure it is no longer than 4 feet and in the locked position. **Bring a copy of your pet's vaccination record, if possible.**
